

**2008 IOWA ENVIRONMENTAL REGULATORY WORKSHOPS
FOR THE CONSTRUCTION & DEMOLITION INDUSTRY AND BUILDING CODE
OFFICIALS**

Based on the success of last year's attendance and response, the Iowa Department of Economic Development along with the Iowa Department of Natural Resources and Iowa Waste Reduction Center at UNI will be holding five workshops around the state in January and February to educate the construction industry and other related industries on regulatory requirements for various programs.

Commercial & Residential Contractors, Demolition Contractors, Real Estate Agents, Appraisers, Property Managers, Building Maintenance Providers, Local Building & Zoning Officials & Inspectors are urged to attend. In addition, real estate agents and appraisers will receive a certificate for continuing education units (CEU).

A \$40 nonrefundable fee will be charged for registration and meal expense.

Workshops will be held from 8:00AM - 4:30PM on the following dates and locations:
