

2019 Region XII Educational Workshop

Derelict Building Program

Date: November 13, 2019

Learn from the experts about Iowa DNR's Derelict Building Program. The Derelict Building Program is available for Iowa cities of 5,000 or fewer residents' to address neglected commercial or public structures that have sat vacant for at least 6 months.

Guest Speakers:

Scott Flagg: Scott has over 13 years of grant management experience working with rural communities in both Iowa and Missouri and has a degree in Natural Resources Management, with an additional Masters degree in Public Administration. Scott is responsible for the Derelict Building Grant Program with the Iowa DNR. Scott has accumulated a vast amount of experience in working with small communities and in particular the issues posed by abandoned buildings.

Don Seymour: Don is an Architectural Professional located in Des Moines Iowa, with over 30 years experience in Architectural firms in the Midwest leading and managing projects ranging from \$60M to small additions and renovations. He has managed a variety of project types including Fire stations, Libraries, K-12 and University / College Education Schools, Courthouses, police stations, city halls and numerous commercial buildings.
